

Clothing labels

Instructions

Ironing at maximum temperature

Remove a label for Stikets clothes from the stand and place it on a clean and dry garment.

Iron without steam

Cover the label for Stikets clothes with the oven paper that we attach.

Iron 8-15 sec

Iron without steam (and with the empty water tank) at maximum temperature, pressing and moving back and forth for 8-15 seconds

Recommendations

- ✓ Never put the iron directly on the label.
 - ✓ Make sure that the texture of the garment is perceived on the label once ironed. Wait 24 hours before washing it.
 - ✓ If you use an ironing center, it is important to empty the water tank.
 - ✓ Recommended temperature of washing 30°C, maximum 60°C.
 - ✓ If the garment is new, we recommend washing it beforehand.
 - ✓ For an optimal result, we recommend applying the labels within two years following your purchase
